1. RECONIN, the Polish commercial company in Buenos Aires, has negotiated with the Uruguayan government a commercial transaction by which Uruguay will export to Poland hides, wool, and fruit in exchange for steel and Polish metal products. The amount of the goods to be exchanged through this transaction is not known at the present time. Although Polish Communists in Uruguay have commented that the amount agreed upon was \$73,000,000, source believes the actual amount will be much less than this.
2. Miguel Szapiro, a Polish Jewish millionaire of Buenos Aires, and an unidentified member of the Polish Legation in Buenos Aires, traveled to Montevideo to negotiate the agreement.
